MEMORANDUM FOR: Director of Personnel

VIA: Deputy Director for Administration

FROM: [REDACTED]
Director of Security

DD/A REGISTRY

FILE: 100-10

SUBJECT: Designation of Individuals for Overseas Pay Eligibility [REDACTED]

REFERENCE: Memo for D/OP from D/OS, dtd 24 May 1983,
same subject (OS 3 1317)

1. Action Requested: This memorandum contains a recommendation for the concurrence of the Deputy Director for Administration and the approval of the Director of Personnel.

2. Background: Referenced memorandum did not include those Office of Security employees who are currently serving overseas. The rationale expressed within reference is equally applicable to these individuals. Such Officers are experiencing the same hardships as are all other CIA employees actively engaged in the foreign operational arena. The experience gained by these Officers through their present assignments clearly places them in a critical position within the Office of Security in terms of the factors considered when determining their future assignments. As a direct result of the experience gleaned from their current assignments, they will be called upon to serve a substantial portion of their careers overseas. An example is

[REDACTED] who will soon return to the States for leave and return to his same post for an extension of his tour. We can expect to see this situation repeated more frequently in the future.

The following individuals are currently assigned abroad and we wish to include them on our list of individuals for Overseas Pay Eligibility:
